C-0001	<p style="color: red; margin: 0;">NOT CURRENTLY AVAILABLE</p> <p>A Life God Rewards</p>	<p>We know instinctively that we're heading for an eternity of something after death. But an eternity of what? In this soul-stirring follow-up to his runaway bestsellers <i>The Prayer of Jabez</i> and <i>Secrets of the Vine</i>, Bruce Wilkinson leads you to some astonishing and entirely biblical answers about the hereafter. He gives a fresh view of the eternal existence you're investing in right now - showing why it's worth it (at a thousand percent return on your investment) to serve God with all your heart for all your life!</p>
C-0002	A.D.	<p>The Book of Acts comes alive in this epic covering the years 30-69 A.D. Filmed on location in the Middle East and Europe, A.D. vividly depicts the rising confrontation between the mighty Roman Empire, Jewish zealots, and early Christians. Painstakingly researched by award-winning producer Vincenzo Labella, this compelling mini-series blends Biblical narrative with historic incidents and engaging fictional characters. Rejoice with Christ's disciples at Pentecost, and cry with them at the stoning of Stephen. Watch the Church grow -- Saul is dramatically converted, Peter performs wonders, and Philip baptizes the Ethiopian. Witness the barbarous treatment of Christians at the hands of Roman leaders, and finally, marvel at the great triumph of the Church, despite persecution and the martyrdom of Peter and Paul. A.D. is the perfect resource for any church or home study group wishing to explore the New Testament period, the Early Church, or the Book of Acts.</p>
C-0003	Answers in Genesis-The Six Days of Creation	<p>In this challenging video, Ken Ham clears up some common misunderstandings about the debate over Genesis 1 and "six days" of creation. He addresses questions and topics such as: Can the Hebrew word "day" in Genesis 1 mean anything other than an ordinary 24-hour day? Why do so many Christian leaders reject the clear teaching of Genesis 1 about ordinary days? The real danger of arguing that the "days" of creation are long ages-it allows death and disease before sin. The church's general compromise with evolution's long ages is undermining the biblical worldview.</p>

C-0004	Answers in Genesis-Genesis: The Key to Reclaiming...	Ken Ham’s most popular talk on the relevance of Genesis, this presentation is a challenge to the church that explains why a belief in a literal Genesis is so important. A must for Christian leaders, youth leaders, homeschools, Sunday schools ... in any class at all. It is a vital message for today’s church explaining why Genesis is the key to bringing reformation.
C-0005	Answers in Genesis-The Bible Explains Dinosaurs	In this presentation, Ken Ham explains the real history of dinosaurs, which is found in the Bible—not in evolutionary theories. He answers questions such as: When did dinosaurs first appear on Earth? And why did they vanish? Are dinosaurs in the Bible? Did they live with man? What are the “dragons” mentioned in the Bible? Do we have any evidence that people saw dinosaurs? Can we actually use dinosaurs to present the gospel?
C-0006	Answers in Genesis-Only One Race	Boldly discussing a topic that Christian leaders avoid, Ken Ham gives biblical answers to the divisive “race issue.” He answers questions such as: Did Darwinian evolution fuel racism? How has evolutionary teaching in schools had a devastating effect on relations between different people groups? Why has skin “color” become an excuse for prejudice? What does the Bible say about “interracial marriage”?
C-0007	Answers in Genesis-Where Did God Come From	This powerful talk by Ken Ham teaches Christians the right way to defend their faith when they discuss creation vs. evolution. Learn answers to compelling questions such as: How can we know there is a God? Can we see any evidence of God’s handiwork today? Can the Bible be defended by real science? Creation—not evolution—explains the evidence in the present.
C-0008	Answers in Genesis-Why Won't They Listen	In one of the most compelling of his presentations, Ken Ham explains why evangelism seems to be so difficult today ... and he offers a biblical solution. He addresses questions such as: How has the radical shift in Western culture affected evangelism? Should Christians change their methods of evangelism to reflect changes in the culture? Why bother about Genesis when we share the gospel—isn’t it only a secondary issue? What is creation evangelism?
